Summary

A creative and detail-oriented graphic designer with a proven ability to create high-impact visuals for both print and digital media. I have experience managing projects for multiple clients as a Graphics Designer, Video Editor, and Social Media Manager under a freelancing consultancy. As a former Graphics Lead and team member of my college's ACM Student's Chapter and Ureckon, I am skilled in collaborative design and project execution.

Work Experience

- **Graphics Designer for Consultancy**
 - Successfully managed projects for multiple clients, fulfilling roles as a **Graphics Designer, Video Editor, and Social Media Manager**.
 - **Front-end Development Intern**
 - InLighnX Global Pvt. Ltd. | 25/05/2025 to 25/06/2025
 - Gained practical experience in front-end development, enhancing my technical skills and understanding of web design.
 - **Ex Graphics Lead, ACM Student's Chapter(UEMK)**
 - Collaborated on brochure making and other print-ready materials. Developed event visual assets (certificates, ID cards, standees, banners, T-shirt prints) and collaborated on brochures and print materials.
-
